## Description

This practical folding stool with carrying bag and shoulder strap is the ideal companion for fishing trips, bird watching or simply enjoying nature. Equipment and food can be stored in the large inner pocket or in the six sewn-on outer pockets. The bag can be easily attached to the stool with four clip fasteners and then carried with the sturdy, padded shoulder strap. The Oxford 600D fabric material is very tear-resistant, rubberized on the inside and therefore water-repellent and washable.
