## Description

---

This large "Enforcer" outdoor bag is ideal for transporting fishing equipment, hunting gear, sports equipment and many other activities. This robust carrier bag is made of tear-resistant, water-repellent Oxford 600D fabric and has a sturdy plastic base and many holders.

Thanks to its PVC coating, the Oxford 600D fabric offers reliable moisture protection and prevents water from penetrating.

There are 9 compartments on the inside and 10 external pockets on the outside.

The bag can be carried comfortably using the carrying handle or shoulder strap. There is additional padding on the outside facing the wearer to significantly increase carrying comfort.

- Water-repellent, sturdy material
- Ideal for equipment and sports accessories
- XXL dimensions 42x30x25cm
- Sturdy, solid plastic base
- Ten outer pockets and nine inner pockets
- Shoulder strap with padding and plastic handle
- Reinforced seams, padding on the carrying side
