Product number: BG01002BKBK

Description

Whether for biking, trekking or hiking, our "Wayfarer" is comfortable to wear and keeps your equipment dry and safe against all obstacles. The tear-resistant, fully rubberized material is completely waterproof and does not interfere with harsh weather conditions with heavy rain. The large inside pocket holds approx. 25 liters. Bottles or other equipment can be put into the flexible side nets for quick access. A drawstring system is attached to the outside for the sleeping bag or rain jackets.

- Waterproof outdoor backpack
- Ideal for hiking, bike tours
- 25L volume for a lot of luggage
- XL dimensions 55x30x20cm
- Fits ideally in hand luggage
- Two flexible side pockets
- Document pocket inside
- Roll-up system with click lock
- Can be rolled up to 8x40cm
- 2x shoulder straps and handle
