€19.90

Prices incl. VAT plus shipping costs

Product number: BG00007BKBU

Description

The open "Presto" belt pouch is perfect for quick access to your tools, is made from tear-resistant, water-repellent Oxford 600D fabric and offers plenty of space for hammers, wrenches, pliers, screwdrivers and other work materials.

In addition to the large hammer loop, there is an attached nail pocket and 3 open screwdriver pockets, two small and two large pockets with a closed base on the outside. The large inner pocket is divided into four sections and offers plenty of space for measuring instruments, cell phones and other tools.

- Water-repellent, sturdy material
- Ideal for tools and building materials
- XL dimensions 27x21x13cm
- Belt holder and tear-resistant nylon belt
- Eight outer pockets and four inner pockets
- Open for quick access
- Reinforced seams, rivets as tear-off protection
