Description

The YPC ProBelt - your faithful helper in all manual challenges. Dive into the world of efficiency and organization with our empty tool belt bag made of robust, waterproof Oxford 600D polyester. This belt is not only your reliable companion for any craft project, but also a statement of style and functionality. Available in different colors - khaki, grey and blue. Your craft. Your style. Your belt.

- XXL DIMENSIONS: With its dimensions of 130cm total length, the deep pockets, the hammer loop and the large 17x15x5 cm nail pocket, the ProBelt offers plenty of space for your tools and other equipment.
- HIGH QUALITY: Made from hard-wearing, waterproof Oxford 600D polyester, this belt can withstand the rigors of your everyday work and offers long-lasting quality.
- ORGANIZED: With seven generously sized loops, a spacious main pocket and a practical hammer loop, this belt keeps your tools organized and ready to hand. No more searching - maximize your efficiency!
- COMFORTABLE: The adjustable belt ensures optimum comfort and an individual fit. So you can concentrate fully on your craft without any distractions.
- STYLISH: Choose from the trendy colors khaki, grey or blue and add a personal touch to your work outfit. A belt that not only works, but also impresses.
- PROFESSIONAL TOOL: Whether you are a professional craftsman or a passionate DIY enthusiast, our tool belt is the perfect companion for anyone who values organization and efficiency.
