

"Converter" pannier for luggage carrier L, 18L, water-repellent, 34x26x18cm, black

€24.89

Prices incl. VAT plus shipping costs

Product number: BG01004BKBK

Description

The "Converter" model can be used extremely flexibly thanks to its fold-out side pockets and holds at least 16 liters. The main bag is adjustable, measures approx. 30x17x15.5cm and offers space for 7 - 9 liters, while the two fold-out side bags each measure approx. 30x30x5cm and therefore hold approx. 9 liters. The bag is secured using two straps with Velcro fasteners, which are attached to the top of the luggage carrier. At the top of this handy pannier is a mesh pocket, e.g. for a water bottle, and a rubber strap for a rain jacket.

- Water-repellent outdoor pannier
- Two fold-out side pockets
- Ideal for short bike tours and day trips
- Simple assembly using tensioning straps
- Up to 18 L volume for day luggage
- L dimensions 34x26x18cm
- Carrying handle made from tear-resistant fabric
- Reinforced seams and rain cover
