Description

The large "Rapid" belt pouch is made from tear-resistant, water-repellent Oxford 600D fabric and offers plenty of space for hammers, wrenches, pliers, screwdrivers and other work materials.

There is plenty of space, especially for the professional user, with six long and one wide pocket on the outside, as well as two small and one large inside pocket and a tag for snap hooks or additional straps.

The huge inner pocket is generously dimensioned with a depth of 18 cm and a width of 17 cm, so that several packs of nail clamps, electrical clamps, multimeters with accessories or many other tools can be easily transported. The fixed lid can be closed with Velcro or put up permanently, allowing quick access at any time.

- Water-repellent, sturdy material
- Ideal for tools and building materials
- XXL dimensions 29x20x13cm
- Carrying handle and belt holder
- Seven outside pockets and four inside pockets
- Lid with Velcro fastener also for standing up
- Reinforced seams, rivets as tear-off protection
