Product number: BG00013BKBU

Description

Discover the indispensable YPC tool roll bags: Your organizational genius for screwdrivers, open-end wrenches, chef's knives and more! Keep order and revolutionize your projects with our empty tool roll bag made of durable waterproof Oxford 600D polyester. This bag is not only functional, but also stylish and available in different colors - sand beige, neutral grey, workshop blue and outdoor camo. The tool roll bag, your reliable partner for every adventure: robust, stylish, practical, indispensable.

- **L DIMENSIONS:** With its dimensions of 45x32cm, the VarioRoll offers plenty of space for your screwdrivers, ratchet set, wrenches and other equipment.
- **LIGHT AND COMPACT:** This bag is not only robust, but can also be rolled up easily and compactly when you need to transport it. It goes with you wherever you go and ensures that you always have the right tools to hand.
- **ROBUSTLY CRAFTED:** Made from high-quality, waterproof Oxford 600D polyester, this bag offers durable quality that can withstand the challenges of your trade.
- **VERSATILE:** Whether screwdrivers, ring wrenches or open-end wrenches - the large zippered pockets and numerous compartments allow you to organize your tools to suit your needs. No more misplaced or jumbled utensils!
- **STYLISH DESIGN:** Available in different colors, our tool roll bag matches your individual style. Whether in the forest or the workshop: Put an end to boring tool accessories - make a statement!
- **IDEAL FOR ON THE GO:** Whether on a building site, workshop or outdoor adventure - our tool roll bag is the **amb products** companion for on the go. Keep your tools organized and protect them from dust and dirt.
