## Description

---

With a volume of approx. 42 liters, the "Outrider" model offers enough storage space for multi-day bike tours through the countryside. The two large side pockets each measure approx. 35x35x17cm and therefore each hold approx. 21 liters. On the outside there are four patch pockets with zippers and two holding nets for quick access to a water bottle or rain jacket.

Each bag is secured using two sturdy hooks and a strap with a clip fastener, which are attached to the luggage carrier.

- Water-repellent outdoor bike bag
- 4 zippered pockets and 2 holding nets
- Ideal for long bike tours
- Easy to attach using hooks and straps
- 42L volume for a lot of luggage
- XL dimensions 50x35x35cm
- Carrying handle made from tear-resistant fabric
- Reinforced, waterproof seams
- Side pockets: 35x35x17cm
