

"Craftsman" tool bag XXL, grey-black, 42x30x25cm, 20 kg load capacity

€49.90

Prices incl. VAT plus shipping costs

Product number: BG00001BKGY

Description

This large "Craftsman" tool bag is made of tear-resistant, water-repellent Oxford 600D fabric and has a sturdy plastic base and many tool holders.

Thanks to its PVC coating, the Oxford 600D fabric offers reliable moisture protection and prevents water from penetrating.

There are 9 compartments on the inside and 10 external pockets on the outside.

The bag can be carried comfortably using the carrying handle or shoulder strap. There is additional padding on the outside facing the wearer to significantly increase carrying comfort.

- Water-repellent, sturdy material
- Ideal for tools and building materials
- XXL dimensions 42x30x25cm
- Sturdy, solid plastic base
- Ten outer pockets and nine inner pockets
- Shoulder strap with padding and plastic handle

amb products reinforced seams, padding on the carrying side
